## Sandhopper

---

# S

With over 40 years of sail making experience Lonton and Gray are in a fantastic position to advise you on the best sail plan and rig settings for your type of sailing. All our sails are designed around you and are manufactured in our loft in Burnham. Sails are laser cut and hand finished for the best quality finish possible.

Lonton and Gray are a class approved sailmaker and therefore in a great position to advise you on the best sails for your boat.

## Sandhopper

LGSM2

LGSM1/3

### Spinnaker £405.00 EX VAT

**LGSS1-** This is our standard spinnaker, designed for use in all course layouts.

**LGSS2-** Same panel layout as LGSS1 but has a slightly larger sail area.

Both spinnakers are constructed in a tri-radial design using 3/4 oz ripstop nylon.

Supplied with sail numbers and sailbag.

### Genoa £330.00 EX VAT

**LGSG3-** Medium cut, this is our standard sail usable in both flat and rough conditions.

Sandhopper Genoas are made to a crosscut design using 240 AP HMT0 Enterprise Blue Dimension Polyant sailcloth.

Supplied with window, sail bag, wire luff and hanks as required.

### Mainsails £442.00 EX VAT

**LGSM1-** This is our standard sail, usable in both flat and rough conditions.

**LGSM2-** A flat cut sail, designed for lighter crews in all conditions or heavier crews in strong winds.

**LGSM3-** Very similar to LGSM1 but with a reduced luff round, for a flatter entry.

Both sails are made to a cross cut design using 240 AP HMT0 Enterprise Blue Dimension Polyant sailcloth

Supplied with window, insignia, sail numbers, battens and sailbag.

An extra row of reefing points can be added for £38.00 EX VAT
